Fintel's Latest DVD Arrivals

- **Spider-Man 2** (Toby Maquire & Kristen Dunst) Peter struggles with "the gift and the curse," as he tries to balance his dual identities as the web-slinging superhero Spider-Man and his life as a college student.
- **The Bourne Supremacy** (Matt Damon & Franka Potente) CIA assassin and partial amnesiac Jason Bourne is framed for a murder in Berlin, making himself the target of an intensive manhunt. 
- **The Laramie Project** The true story on a small town in Wyoming that received spotlight attention in 1998 when Matthew Shepard was found savagely beaten, tied to a fence and left to die because of his sexual preference.
- **It Happened One Night** The 1934 winner of five Academy Awards in which Clark Gable and Claudette Colbert are comically featured as mismatched lovers.
- **Something's Gotta Give** (Jack Nicholson & Diane Keaton) A sixty-something playboy who only dates women under 30 goes on a rollercoaster-ish ride when "things don't go as planned".
- **Dawn of the Dead** (Mekhi Pflifer & Ving Rhames) A high-tension remake of the 1978 low-budget classic. A real treat for zombie flick lovers!
- **Saved** (Jena Malone & Mandy Moore) Teen comedy about a modern-day Christian high school. Plenty of good lines in this film and a thought provoking plot, to boot! 

...Whoa! Quick newsflash! These DVDs arrived shortly before **SHelf LIFE** went to press.
