<b>BIOL 205 Ecology</b> (Fall; ENVI 230 is prerequisite; recommended 2nd year for Science track students or 3rd year for Society track students)		
<b>One additional unit in ENVI/ENSC/ENST</b> at the 300-level		
<b>ENST 430 Environmental Practicum</b> (Fall, 4th year)		
<b>Each student must complete one of the 5-unit tracks:</b>		
<p><b><u>Environment &amp; Society Track</u></b>  <b>One unit of methods:</b> SOCI 251, POLI 209, or ECON 448  <i>SOCIOLOGY 251 HAS BEEN DISCONTINUED. PLEASE CONTACT ENVIRONMENTAL DEPARTMENT CHAIR IF YOU ARE SEEKING ADDITIONAL OPTIONS FOR FULFILLING THIS REQUIREMENT</i></p> <p><b>Two units of disciplinary applications:</b> ENST/SOCI 337,  ENST/POLI 351, ECON 287  First course  Second course</p> <p><b>Two additional units</b> chosen from ECON 121, 237, 287, ENVI or ENST 260, 305, 360, POLI 201, 202, 205, 251, 333, 351, SOCI 215, 315, 324, 325, 335, 337, 340, and up to one INQ 260 with an environmental topic.  First course  Second course</p>		

**Environmental Science Track**

Five units chosen from the courses listed with four units in a single discipline and one unit from a second discipline.

- Any PHYS courses
- Any ENVI or ENSC or ENST courses
- CHEM 111, 112, 221, 270
- Any BIOL courses except BIOL 105  
Students choosing BIOL courses will need BIOL 125 and will probably need BIOL 120 as these are prerequisite to all or most BIOL courses. Students are encouraged to take courses at the whole organism or system level such as BIOL 125, 235, 240, 265, 270, 275, 280, 300 and 360.
