Music Juries and Other Requirements		
<p>Juries are held at the end of each semester. Juries are intended for monitoring the progress of students enrolled in MUSA courses, especially those who wish to concentrate in music performance. In consultation with music faculty, all students majoring in music must demonstrate appropriate progress in their applied studies. All students majoring in music (performance, composition, research) must pass the Music Area's musicianship exams before graduation. These exams may be taken any time after completion of MUSC 251. Students who do not pass these exams by the end of their sophomore year may be required to enroll in applied music courses until the proficiency exam can be passed.</p>
