INQ Curriculum Core Courses and Checks

Complete all of the following items. **2 of 6 Completed.** [Hide Details](#)

A. Core Courses

Students take two courses at the start of the Intellectual Inquiry Curriculum, INQ-110 and INQ-120, that focus on critical thinking, information literacy and reserach skills, writing development,

ethical reasoning, and oral communication. After completing 200-level courses that further develop these skills, combined with methodologies that encompass various ways of thinking and asking questions, students take INQ-300, the general education capstone course that brings everything together to help students, in groups, address contemporary issues.

C. Language Requirement

Students must complete through the 201 level, or higher, of a language (CHIN, FREN, GREK, GRMN, JAPN, ITAL, LANG, LATN, RUSS, or SPAN). Certain LANG courses, taught in English, will not count.

Complete all of the following items.  **1 of 1 Completed.** [Show Details](#)

D. Health/Human Perform

Students take two one-quarter units of Health and Human Performance. Fitness for Life, HHP-160, is required before starting the required activity course (HHP-101 through HHP-159). Varsity athletes receive competency for the activity course.
