STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at <https://idoi.illinois.gov>.

Policy Interpretation: *Who interprets Policy terms and conditions?*

Pursuant to the Employee Retirement Income Security Act of 1974, as amended (ERISA), Your Employer has delegated to Us the fiduciary responsibility to determine eligibility for benefits and to construe and interpret all terms and provisions of The Policy. Therefore, We are a fiduciary for The Policy and We have the continuing duty to act prudently and in the interest of You, Your beneficiaries and the other plan participants. If You have a claim for benefits which is denied or ignored, in whole or in part, then You may file suit in state or federal court for a review of Your eligibility or entitlement to benefits under The Policy. 1. **NOTICE:** The benefits under the policy are subject to reduction due to other sources of income.

Other sources of income are plans or arrangements of coverage that provide disability-related benefits such as Worker's Compensation or other similar governmental programs or laws, or disability-related benefits received from your employer or as the result of your employment, membership or association with any group, union, association or other organization. Other sources of income may also include certain disability-related or retirement benefits that you receive because of your retirement unless you were receiving them prior to becoming disabled.

What comprises other sources of income under the policy is determined by the nature of the policyholder. Therefore, we strongly urge you to **Read Your Certificate Carefully**. A full description of the plans and types of plans considered to be other sources of income under the policy will be found in the definition of "Other Income Benefits" located in the Definitions section of your certificate.

2. **NOTICE:** The laws of the State of Maine require notification of the right to designate a third party to receive notice of cancellation, to change such a designation and, to have the Policy reinstated if the insured suffers from cognitive impairment or functional incapacity and the ground for cancellation was the insured's nonpayment of premium or other lapse or default on the part of the insured.

Within 10 days after a request by an insured, a Third Party Notice Request Form shall be mailed or personally delivered to the insured.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Is my coverage under The Policy subject to the Pre-existing Condition Limitation?

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or

- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid, subject to the Grace Period;
- 4) the last day of the period for which You make any required premium contribution, subject to the Grace Period;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Military Leave of Absence: If You enter active military service and are granted a military leave of absence in writing, Your coverage may be continued for up to 12 weeks, or longer if required by other applicable law. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do my benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Mental Illness and Substance Abuse Benefits: *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable:

- 1) for as long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
- 2) if not confined, or after You are discharged and still Disabled, for a total of 24 months for all such disabilities during Your lifetime.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work,

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with The Employer and premiums are being paid for You.

Calculation of Monthly Benefit:

Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and

3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
 - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
 - b) exceed 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to cooperate with or try:
 - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
 - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;

provided a qualified Physician or other qualified medical professional agrees that such modifications or adaptive equipment accommodate Your medical limitation.

Family Care Credit Benefit: *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
 - a) Your children under age 13; or
 - b) a member of Your household who is intellectually disabled or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
 - a) \$350 during the first 12 months of Rehabilitation; and
 - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
 - a) You are no longer in a Rehabilitation program; or
 - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. In no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse or Surviving Domestic Partner; or
- 2) if no Surviving Spouse or Surviving Domestic Partner, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Domestic Partner or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit amount is shown on the Schedule of Insurance.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits nor disability benefits under an alternative plan offered by a state or municipal government if:

- 1) You apply for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government if applicable, and pursue all required appeals in accordance with the Social Security and Plan Offered by a State or Municipal Government provisions; and
- 2) You have signed a form authorizing the Social Security Administration, or the administrator of the alternative plan offered by a state or municipal government if applicable, to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Monthly Benefit by an estimated amount and:

- 1) You or Your dependent are later awarded Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, We will adjust Your Monthly Benefit when We receive proof of the amount awarded, and determine if it was higher or lower than Our estimate; or
- 2) Your application for Social Security disability benefits, or disability benefits under an alternative plan offered by a state or municipal government, has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals, or similar level under an alternative plan offered by a state or municipal government when available.

If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits or disability benefits under an alternative plan offered by a state or municipal government were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) when We determine that the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

Overpayment Recovery: *How does the Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that We determine to be an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;

- b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors, including the Minimum Monthly Benefit, until full reimbursement is made. Payments may continue when the overpayment has been recovered;
 - 3) refer Your unpaid balance to a collection agency; and
 - 4) pursue and enforce all legal and equitable rights in court.

Subrogation: *What are Our subrogation rights?*

If You:

- 1) suffer a Disability caused, in full or in part, by the act or omission of any person or legal entity;
- 2) become entitled to and are paid benefits under The Policy in compensation for lost wages; and
- 3) do not initiate legal action for the recovery of such benefits from a Third Party in a reasonable period of time or notify Us that You do not intend to do so;

then We will be subrogated to any rights You may have against a Third Party and may, at Our option, bring legal action against or otherwise pursue a Third Party to recover any payments made by Us in connection with the Disability.

Third Party as used in this provision, means:

- 1) any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy; or
- 2) any insurer, including Your own, that provides benefits to You as a result of the act or omission which causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Reimbursement: *What are Our reimbursement rights?*

We have the right to be reimbursed for any benefit payments made or required to be made under The Policy for a Disability for which You recover any funds from a Third Party.

If You recover any funds from a Third Party as:

- 1) a legal judgment;
- 2) an arbitration award; or
- 3) a settlement or otherwise;

You or Your attorney shall hold in constructive trust the lesser of:

- 1) the entire amount of the benefit payment(s) made or required to be made by Us; or
- 2) the total amount of the recovered funds;

less Our pro rata share of any reasonable attorneys' fees and court costs associated with the recovered funds. We have the right of first reimbursement regardless of:

- 1) whether You are made whole;
- 2) how the recovered funds are characterized; or
- 3) whether the particular funds recovered are still in Your possession.

By accepting benefit payment(s) under The Policy, You:

- 1) agree to cooperate fully with Our reimbursement rights, including disclosure of all information and documentation required by Us in order to exercise Our reimbursement rights; and
- 2) will not do anything to prejudice Our reimbursement rights.

You or Your attorney's failure to cooperate fully with Our reimbursement rights may result in denial or termination of Your benefits under The Policy.

Third Party as used in this provision, means:

- 1) any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy; or
- 2) any insurer, including Your own, that provides benefits to You as a result of the act or omission which causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Legal Actions: *When can legal action be taken against Us?*

Legal action cannot be taken against Us:

- 1) sooner than 60 days after the date Proof of Loss is given; or
- 2) more than 3 years after the date Proof of Loss is required to be given according to the terms of The Policy.

Fraud: *What are the consequences of making fraudulent statements?*

Any person who, with the intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may have violated state law.

Misstatements: *What happens if facts are misstated?*

If material facts about You were not stated accurately, including facts about Your age:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

Policy Interpretation: *Who interprets the terms and conditions of The Policy?*

We have full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of The Policy. This provision applies where the interpretation of The Policy is governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

While a claim is pending We have the right at Our expense:

- 1) to have the person who has a loss examined by a Physician when and as often as reasonably necessary; and
- 2) to make an autopsy in case of death where it is not forbidden by law.

Entire Contract

The contract between the parties consists of:

All statements made by Policyholder, or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or personal representative.

DEFINITIONS

Actively at Work means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and
- 2) for Your usual number of hours.

We will consider You Actively at Work on a day that is not a scheduled work day only if You were Actively at Work on the preceding scheduled work day.

If school is not in session due to normal vacation or school break(s), Actively at Work shall mean You are able to report for work with the Employer, performing all the regular duties of Your Occupation in the usual way for Your usual number of hours as if school was in session.

Active Employee means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

Any Occupation means any occupation for which You are qualified by education, training or experience, and that has an earnings potential greater than the lesser of:

- 1) 80% of Your Indexed Pre-disability Earnings; or
- 2) the Maximum Monthly Benefit.

Current Monthly Earnings means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and
- 2) the requirements of the position were consistent with:
 - a) Your education, training and experience; and
 - b) Your capabilities as medically substantiated by Your Physician.

Disability or Disabled means You are prevented from performing one or more of the Essential Duties of:

- 1) Your Occupation during the Elimination Period;
- 2) Your Occupation, for the 2 years following the Elimination Period, and as a result Your Current Monthly Earnings are less than 80% of Your Indexed Pre-disability Earnings; and
- 3) after that, Any Occupation.

If at the end of the Elimination Period, You are prevented from performing one or more of the Essential Duties of Your Occupation, but Your Current Monthly Earnings are equal to or greater than 80% of Your Pre-disability Earnings, Your Elimination Period will be extended for a total period of 12 months from the original date of Disability, or until such time as Your Current Monthly Earnings are less than 80% of Your Pre-disability Earnings, whichever occurs first. For the purposes of extending Your Elimination Period, Your Current Monthly Earnings will not include the pay You could have received for another job or a modified job if such job was offered to You by Your Employer, or another employer, and You refused the offer.

Your Disability must result from:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy.

Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation, alone, does not mean that You are Disabled.

Elimination Period means the longer of the number of consecutive days at the beginning of any one period of Disability which must elapse before benefits are payable or the expiration of any Employer sponsored short term Disability benefits or salary continuation program, excluding benefits required by state law.

Employer means the Policyholder.

Essential Duty means a duty that:

- 1) is substantial, not incidental;
- 2) is fundamental or inherent to the occupation; and
- 3) cannot be reasonably omitted or changed.

Your ability to work the number of hours in Your regularly scheduled workweek is an Essential Duty. However, working more than 45 hours per week is not an Essential Duty.

Indexed Pre-disability Earnings means Your Pre-disability Earnings adjusted annually by adding the lesser of:

- 1) 10%; or
- 2) the percentage change in the Consumer Price Index (CPI-W).

The percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W. The adjustment is made January 1st each year after You have been Disabled for 12 consecutive month(s), provided You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

Mental Illness means a mental disorder as listed in the current version of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association. A Mental Illness may be caused by biological factors or result in physical symptoms or manifestations.

For the purpose of The Policy, Mental Illness does not include the following mental disorders outlined in the Diagnostic and Statistical Manual of Mental Disorders:

 - a) that begins after You become Disabled; or
 - b) that You were receiving before becoming Disabled, but only as to the amount of any increase in the benefit attributed to Your Disability.

Other Income Benefits also means the amount of any payments that are made to You or to Your family, or to a third party on Your behalf, pursuant to any:

- 1) disability benefit under Your Employer's Retirement Plan;

 - a) You were receiving it prior to becoming Disabled; or

- 5) retirement benefits under:

- a) the United States Social Security Act or alternative plan offered by a state or municipal government;
 - b) the Railroad Retirement Act;
 - c) the Canada Pension Plan, the Canada Old Age Security Act, the Quebec Pension Plan or any provincial pension or disability plan;
 - d) similar plan or act;
- that You and Your spouse, Your domestic partner and children receive because of Your retirement, unless You were receiving them prior to becoming Disabled.

If You are paid Other Income Benefits in a lump sum or settlement, You must provide proof satisfactory to Us of:

- 1) the amount attributed to loss of income; and
- 2) the period of time covered by the lump sum or settlement.

We will pro-rate the lump sum or settlement over this period of time. If You cannot or do not provide this information, We will assume the entire sum to be for loss of income, and the time period to be 24 month(s). We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of Your claim.

The amount of any increase in Other Income Benefits will not be included as Other Income Benefits if such increase:

- 1) takes effect after the date benefits become payable under The Policy; and
- 2) is a general increase which applies to all persons who are entitled to such benefits.

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at <http://insurance.illinois.gov/>.

You have the option to enroll electronically. Your Employer will provide instructions.

If You do not enroll for Your coverage and/or Your Dependent's coverage within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll, You may enroll for Your coverage and/or Your Dependent's coverage only:

- 1) Your Amount of Life Insurance will equal the amount for which You were eligible without providing Evidence of Insurability, provided You enrolled within 31 days of the date You were first eligible to enroll; and
- 2) You will not be covered under The Policy if You enrolled more than 31 days after the date You were first eligible to enroll.

Dependent Evidence of Insurability Requirements: *When will my Dependents first be required to provide Evidence of Insurability?*

However, no Evidence of Insurability will be required if the Amount of Life Insurance for Your Dependent Child(ren) is \$15,000 or less.

If Your Dependents' Evidence of Insurability is not satisfactory to Us:

- 1) Your Dependents' Amount of Life Insurance will equal the amount for which Your Dependents were eligible without providing Evidence of Insurability, provided You enrolled Your Dependents within 31 days of the date You were first eligible to enroll;
- 2) Your Dependents will not be covered under The Policy if You enrolled Your Dependents more than 31 days after the date You were first eligible to enroll.

Evidence of Insurability: *What is Evidence of Insurability?*

Evidence of Insurability must be satisfactory to Us and may include, but will not be limited to:

- 1) a completed and signed application approved by Us;
- 2) a medical examination, if requested;
- 3) an attending Physicians' statement, if requested; and
- 4) any additional information We may require.

Evidence of Insurability will be furnished at Your expense. We will then determine if You or Your Dependent(s) are insurable for initial coverage or an increase in coverage as described in the Increase in Amount of Life Insurance provision.

You will be notified in writing of Our determination of any Evidence of Insurability submission.

Change in Family Status: *What constitutes a Change in Family Status?*

A Change in Family Status occurs when:

- 1) You get married;
- 2) You and Your spouse divorce;
- 3) Your child is born or You adopt or become the legal guardian of a child;
- 4) Your spouse dies;
- 5) Your child dies;
- 6) Your spouse is no longer employed, which results in a loss of group insurance; or
- 7) You have a change in classification from part-time to full-time or from full-time to part-time.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Non-Contributory Coverage will start on the date You become eligible.

Contributory Coverage, for which Evidence of Insurability is not required, will start on the latest to occur of:

- 1) the date You become eligible, if You enroll on or before that date;
- 2) the Policy Anniversary Date on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
- 3) the date You enroll, if You do so within 31 days from the date You are eligible.

Any coverage for which Evidence of Insurability is required, will become effective on the later of:

- 1) the date You become eligible; or
- 2) the date We approve Your Evidence of Insurability.

All Effective Dates of coverage are subject to the Deferred Effective Date provision.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If, on the date You are to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit;

You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy?*

Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were:

- 1) insured under the Prior Policy; and
- 2) Actively at Work or on an authorized family and medical leave;

but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance and accidental death and dismemberment principal sum:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:

- 1) the last day of a period of 12 consecutive months after the Policy Effective Date;
- 2) the date Your insurance terminates for any reason shown under the Termination provision;
- 3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
- 4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

Dependent Effective Date: *When does Dependent coverage start?*

Non-Contributory Coverage will start on the date You become eligible for Dependent coverage.

Contributory Coverage, for which Evidence of Insurability is not required, will start on the latest to occur of:

- 1) the date You become eligible for Dependent coverage, if You have enrolled on or before that date; or
- 2) the Policy Anniversary Date on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
- 3) the date You enroll, if You do so within 31 days from the date You are eligible for Dependent coverage.

Coverage for which Evidence of Insurability is required, will become effective on the later of:

- 1) the date You become eligible for Dependent coverage; or
- 2) the date We approve Your Dependents' Evidence of Insurability.

In no event will Dependent coverage become effective before You become insured.

Dependent Deferred Effective Date: *When will the effective date for Dependent coverage or a change in coverage be deferred?*

If, on the date Your Dependent is to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit; and

he or she is:

- 1) confined in a hospital; or
- 2) Confined Elsewhere

such coverage will not start until he or she:

- 1) is discharged from the hospital; or
- 2) is no longer Confined Elsewhere;

and has engaged in all the normal and customary activities of a person of like age and gender, in good health, for at least 15 consecutive days.

This Deferred Effective Date provision will not apply to Disabled children who qualify under the definition of Dependent Child(ren).

Confined Elsewhere means Your Dependent is unable to perform, unaided, the normal functions of daily living, or leave home or other place of residence without assistance.

Dependent Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy for my Dependents?*

If on the day before the Policy Effective Date, You were covered with respect to Your Dependents under the Prior Policy, the Deferred Effective Date provision will not apply to initial coverage under The Policy for such Dependents. However, the Dependent Amount of Insurance will be the lesser of the amount of life insurance:

- 1) Your Dependents had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Change in Coverage: *When may I change my coverage or coverage for my Dependents?*

After Your initial enrollment You may increase or decrease coverage for You or Your Dependents or add a new Dependent to Your existing Dependent coverage:

- 1) during any Annual Enrollment Period designated by the Policyholder; or
- 2) within 31 days of the date of a Change in Family Status.

Effective Date for Changes in Coverage: *When will changes in coverage become effective?*

Any decrease in coverage will take effect on the date of the change.

Any increase in coverage will take effect on the latest of:

- 1) the date of the change;
- 2) the date requirements of the Deferred Effective Date provision are met;
- 3) the date Evidence of Insurability is approved, if required; or
- 4) the Policy Anniversary Date on or next following the last day of the Annual Enrollment Period, except for an increase as a result of a Change in Family Status.

Increase in Amount of Life Insurance: *If I request an increase in the Amount of Life Insurance for myself or my Dependents, must we provide Evidence of Insurability?*

If You or Your Dependents are:

- 1) already enrolled for an Amount of Supplemental Life Insurance under The Policy, then You and Your Dependents must provide Evidence of Insurability for any increase; or
- 2) not already enrolled for an Amount of Supplemental Life Insurance under The Policy, You and Your Dependents must provide Evidence of Insurability for any amount of Supplemental Life Insurance coverage; including an initial amount.

In any event, if the Amount of Life Insurance You request is greater than the Guaranteed Issue Amount, You or Your Dependents, as applicable, must provide Evidence of Insurability.

If Your Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance You had in effect on the date immediately prior to the date You requested the increase will not change.

If Your Dependents' Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance he or she had in effect on the date immediately prior to the date You requested the increase will not change.

Increase in Amount of Life Insurance: *If my Amount of Life Insurance increases because my Earnings increase, must I provide Evidence of Insurability?*

If Your Amount of Life Insurance is based on a multiple of Your Earnings, You must provide Evidence of Insurability if Your Earnings increase such that Your Amount of Life Insurance is greater than the Guaranteed Issue Amount. An increase in Earnings which causes an increase in Your Amount of Life Insurance will be accompanied by a corresponding increase in the amount of premium due for this coverage.

Once approved, We will not require Evidence of Insurability again if Your Amount of Life Insurance increases solely because Your Earnings increased.

However, if:

- 1) You do not submit Evidence of Insurability; or
- 2) Your Evidence of Insurability is not satisfactory to Us,

Your Amount of Life Insurance:

- 1) will increase, but only up to the amount for which You were eligible without having to provide Evidence of Insurability; and
- 2) will not increase again, or beyond that amount, until Your Evidence of Insurability is approved.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the last day of the month following the date The Policy terminates;
- 2) the last day of the month following the date You are no longer in a class eligible for coverage, or The Policy no longer insures Your class;
- 3) the last day of the month following the date the premium payment is due but not paid;
- 4) the last day of the month following the date Your Employer terminates Your employment; or
- 5) the last day of the month following the date You are no longer Actively at Work;

unless continued in accordance with any one of the Continuation Provisions.

Dependent Termination: *When does coverage for my Dependent end?*

Coverage for Your Dependent will end on the earliest to occur of:

- 1) the last day of the month following the date Your coverage ends;
- 2) the last day of the month following the date the required premium is due but not paid;
- 3) the last day of the month following the date You are no longer eligible for Dependent coverage;
- 4) the last day of the month following the date We or the Employer terminate Dependent coverage; or
- 5) the last day of the month following the date the Dependent no longer meets the definition of Dependent,

unless continued in accordance with the Continuation Provisions.

Continuation Provisions: *Can my coverage and my Dependent's coverage be continued beyond the date it would otherwise terminate?*

Coverage under The Policy may be continued, at Your Employer's option, beyond a date shown in the Termination provision, provided Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage applicable to You or Your Dependents will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In no event will coverage under the following Continuation Provisions, when combined, extend longer than 12 months from the date You were last Actively at Work: Leave of Absence, Military Leave of Absence, Lay Off, Furlough, Status Change, Disability Insurance, Sabbatical, Severance, Sickness or Injury, Family Medical Leave or Labor Dispute.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Life coverage) may be continued until the last day of the month following the month in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You or Your Dependent enter active full-time military service and are granted a military leave of absence in writing, Your coverage (including Dependent Life coverage) may be continued for up to 12 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Lay Off: If You are temporarily laid off by the Employer due to lack of work, all of Your coverage (including Dependent Life coverage) may be continued until the last day of the month following the month in which the lay off commenced. If the lay off becomes permanent, this continuation will cease immediately.

Status Change: If You are:

- 1) employed by the Policyholder; and
- 2) no longer in an Eligible Class due to a reduction in the number of scheduled hours You work;

Your coverage (including Dependent Life coverage) may be continued until the last day of the third consecutive month after the month Your scheduled hours were reduced.

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued:

- 1) for a period of 12 consecutive months from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state or federal family and medical leave laws, then the combined continuation period will not exceed 12 consecutive months.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Child(ren) with Disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 19 or older; and
- 2) Disabled; and
- 3) primarily dependent upon You for financial support;

then Dependent Child(ren) coverage will not terminate solely due to age. However:

- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
- 2) such Dependent Child(ren) must have become Disabled before attaining age 19.

Disabled means Your Dependent Child(ren) is incapable of self-sustaining employment by reason of intellectual disability or physical handicap.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Life Insurance for such Dependent Child(ren) will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your and Your Dependents' coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Only Your Dependents who were covered under The Policy when You were last Actively at Work will be covered under Waiver of Premium.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to:

- 1) Your Basic Life Insurance;
- 2) Your Supplemental Life Insurance; and
- 3) Dependent Life Insurance.

You are not eligible to apply for both the Portability Benefit and Waiver of Premium for the same coverage amount for You or Your Dependents.

Disabled: *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 60 when you become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 9 consecutive months, starting on the date You were last Actively at Work or provide proof that You have been diagnosed with a life expectancy of 12 months or less; and
- 3) provide such proof within one year of Your last day of work as an Active Employee.

In any event, You must have been Actively at Work under The Policy to qualify for Waiver of Premium.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 months You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right;

for You and Your Dependents.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 months that You are Disabled, the 9 month waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Benefit Payable before Approval of Waiver of Premium: *What if I die or my Dependent dies before I qualify for Waiver of Premium?*

If You or Your Dependent die within one year of Your last day of work as an Active Employee, but before You qualify for Waiver of Premium, We will pay the Amount of Life Insurance which is in force for the deceased person provided:

- 1) You were continuously Disabled;

- 2) the Disability lasted or would have lasted 9 month(s) or more; and
- 3) premiums had been paid for coverage.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain age 65 if Disabled prior to age 60.

We will waive premium payments for Your Dependent Life Insurance and continue such coverage, while You remain Disabled, until the earliest of the date:

- 1) You die;
- 2) You no longer qualify for Waiver of Premium;
- 3) The Policy terminates;
- 4) Your Dependents are no longer in an Eligible Class, or Dependent coverage is no longer offered; or
- 5) Your Dependent no longer meets the definition of Dependent.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage for Yourself and Your Dependents as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You may be eligible to exercise the Conversion Right for You and Your Dependents if You do so within the time limits described in such provision. The Amount of Life Insurance that may be converted will be subject to the terms and conditions of the Conversion Right. Portability will not be available.

Effect of Policy Termination: *What happens to the Waiver of Premium if The Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium:

- 1) Your Dependent coverage will terminate; and
- 2) Your coverage under the terms of this provision will not be affected.

Conversion is not available for:

- 2) any Amount of Life Insurance for which You or Your Dependents were not eligible and covered;

under The Policy.

If Your or Your Spouse's coverage under The Policy ends because:

- 1) The Policy is terminated; or,
- 2) coverage for an Eligible Class is terminated;

then You or Your Spouse must have been insured under The Policy for at least 5 years, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$10,000; or

- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You or Your Spouse may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, except nonpayment of premium, the full amount of Your or Your Spouse's coverage which ended may be converted less any Amount of Life Insurance for which You or Your Spouse may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any reason, except nonpayment of premium, the full amount of Your Dependent Child(ren)'s coverage which ended may be converted less any Amount of Life Insurance for which Your Dependent Child(ren) may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage or my Dependents' coverage?*

To convert Your coverage or coverage for Your Dependents, You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal.

You must:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You or Your Dependents under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) in accordance with the Waiver of Premium provision;
- 2) under a certificate of insurance issued in accordance with the Portability provision; or
- 3) in accordance with the Continuation Provisions;

until such coverage ends.

Death within the Conversion Period: *What if I or my Dependents die before coverage is converted?*

We will pay the deceased person's Amount of Life Insurance You or Your Dependents would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You or Your Dependent die within 31 days of the date coverage terminates; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

Effect of Waiver of Premium on Conversion: *What happens to the Conversion Policy if Waiver of Premium is later approved?*

If You apply and are approved for Waiver of Premium after an individual Conversion Policy has been issued, any benefit payable at Your or Your Dependent's death under The Policy will be paid only if the individual Conversion Policy is surrendered. The Insurer will refund the premium paid for such Conversion Policy.

Portability Benefits: *What is Portability?*

Portability is a provision which allows You and Your Dependents to continue coverage under a group Portability policy when coverage would otherwise end due to certain Qualifying Events. Portability applies to Life Insurance only.

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates, for any reason prior to Normal Retirement Age; or
- 2) Your membership in an Eligible Class under The Policy ends; or
- 3) You are denied Waiver of Premium solely because You do not meet the definition of Disabled;

provided the Qualifying Event occurs prior to Normal Retirement Age.

Qualifying Events for Your Dependents are:

- 1) Your employment terminates, for any reason prior to Normal Retirement Age;
- 2) Your death; or
- 3) You are denied Waiver of Premium solely because You do not meet the definition of Disabled;
- 4) Your membership in a class eligible for Dependents' coverage ends; or
- 5) he or she no longer meets the definition of Dependent, however, a Dependent Child(ren) who reaches the limiting age under The Policy is not eligible for Portability;

provided the Qualifying Event occurs prior to Normal Retirement Age.

In order for Dependent Child(ren) coverage to be continued under this provision, You or Your Spouse must elect to continue coverage due to Your own Qualifying Event.

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your Life Insurance coverage ends due to a Qualifying Event. You may also elect Portability for Your Dependent coverage if Your Dependent coverage ends due to a Qualifying Event. The Policy must still be in force in order for Portability to be available. Portability will not be available to You or Your Dependents unless You have been Actively at Work under The Policy.

To elect Portability for You or Your Dependents, You must:

- 1) complete and have Your Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued without Evidence of Insurability;
- 2) issued on one of the forms then being issued by Us for Portability purposes; and
- 3) effective on the day following the date Your or Your Dependent's coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

Limitations: *What limitations apply to this benefit?*

You may elect to continue 50%, 75% or 100% of the Amount of Life Insurance which is ending for You or Your Dependent(s). This amount will be rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000. However, the Amount of Life Insurance that may be continued will not exceed:

- 1) \$250,000 for You;

- 2) \$50,000 for Your Spouse; or
- 3) \$10,000 for Your Dependent Child(ren).

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability provision at a later date. In no event will You or Your Dependent(s) be able to continue an Amount of Life Insurance which is less than \$5,000.

Portability is not available for any Amount of Life Insurance for which You or Your Dependent(s) were not eligible and covered.

In addition Portability is not available if You or Your Dependents are entering active military service.

Effect of Portability on Other Provisions: *How does Portability affect other Provisions?*

Portability is not available for any Amount of Life Insurance which was, or is being, continued in accordance with the:

- 1) Conversion Right;
- 2) Waiver of Premium provision; or
- 3) Continuation provisions;

under The Policy. However, if:

- 1) You elect to continue only a portion of terminated coverage under this Portability Benefit; or
- 2) the Amount of Life Insurance exceeds the maximum Portability amount;

then the Conversion Right may be available for the remaining amount.

The Waiver of Premium provision will not be available if You elect to continue coverage under this Portability Benefit.

Payment to any person, as shown above, will release Us from liability for the amount paid.

If any beneficiary is a minor, We may pay his or her share, until a legal guardian of the minor's estate is appointed, to a person who at Our option and in Our opinion is providing financial support and maintenance for the minor. We will pay:

- 2) Your beneficiary, in the event of Your death.

However, an account will not be established for:

- 1) a benefit payable to Your estate; or
- 2) an amount that is less than \$10,000.

We will make any payments, other than for loss of life, to You. We may make any such payments owed at Your death to Your estate.

Periodic benefit payments will be made on a monthly basis after We receive the Proof of Loss and will continue while the loss and Our liability continue.

Beneficiary Designation: *How do I designate or change my beneficiary?*

You may designate or change a beneficiary by doing so in writing on a form satisfactory to Us and filing the form with the Employer. Only satisfactory forms sent to the Employer prior to Your death will be accepted.

Incontestability: *When can the Life Insurance Benefit of The Policy be contested?*

Except for non-payment of premiums, Your or Your Dependent's Life Insurance Benefit cannot be contested after two years from its effective date.

No statement made by You or Your Spouse relating to Your or Your Spouse's insurability will be used to contest Your insurance for which the statement was made after Your insurance has been in force for two years. In order to be used, the statement must be in writing and signed by You and Your Spouse.

No statement made relating to Your Dependents being insurable will be used to contest their insurance for which the statement was made after their insurance has been in force for two years. In order to be used, the statement must be in writing and signed by You or Your representative.

All statements made by the Policyholder, the Employer or You or Your Spouse under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or representative.

Assignment: *Are there any rights of assignment?*

Except for the dismemberment benefits under the Accidental Death and Dismemberment Benefit, You have the right to absolutely assign all of Your rights and interest under The Policy including, but not limited to the following:

- 1) the right to make any contributions required to keep the insurance in force;
- 2) the right to convert; and
- 3) the right to name and change a beneficiary.

We will recognize any absolute assignment made by You under The Policy, provided:

- 1) it is duly executed; and
- 2) a copy is acknowledged and on file with Us.

We and the Policyholder assume no responsibility:

- 1) for the validity or effect of any assignment; or
- 2) to provide any assignee with notices which We may be obligated to provide to You.

You do not have the right to collaterally assign Your rights and interest under The Policy.

Legal Actions: *When can legal action be taken against us?*

Legal action cannot be taken against Us:

- 1) sooner than 180 days after the date written Proof of Loss is furnished; or
- 2) more than 3 years after the date Proof of Loss is required to be furnished according to the terms of The Policy.

The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.

Fraud: *What are the consequences of making fraudulent statements?*

Any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may have violated state law.

Misstatements: *What happens if facts are misstated?*

If material facts about You or Your Dependents were not stated accurately:

- 1) the premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

**NOTICE OF
PROTECTION PROVIDED BY
VIRGINIA LIFE, ACCIDENT AND SICKNESS
INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or accident and sickness insurance company (including a health maintenance organization) licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender and withdrawal values

- Health Insurance
 - \$500,000 for health benefit plans
 - \$300,000 in disability [income] insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of accident and sickness insurance benefits

- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000, except for health benefit plans, for which the limit is increased to \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association’s website at www.valifega.org or contact:

Coverages described in the certificate/policy as noncontributory or as being paid by the Employer, if any, are those paid for directly by the Employer such that you may have no direct out of pocket expense for such coverage. However, employees who elect supplemental coverage will be required to contribute specified amounts to the plan. Any amounts paid by employees may be used to pay any benefit or expense under the plan and may be used to reduce what the Employer pays for basic coverage.

(Group Long Term Disability) The Employer pays the premium for the insurance, but may allocate part of the cost to the employee, or the employee may pay the entire premium. 13. Plan Amendment Procedure

The Plan Administrator reserves full authority, at its sole discretion, to terminate, suspend, withdraw, reduce, amend or modify the Plan, in whole or in part, at any time, without prior notice.

The Employer also reserves the right to adjust your share of the cost to continue coverage by the same procedures.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability

Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on *de minimis* violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company's receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company's review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and

10) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the Insurance Company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance

Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
