

Griffith University

Study Abroad in the Gold Coast, Australia through USAC!

Queensland, known as the “Sunshine State,” averages 300 days of sunshine a year. The landscape ranges from outback deserts to lush tropical rain forests to the coral reefs of the Great Barrier Reef. The capital, Brisbane, is located in the southeast corner of the state and is a beautiful, modern city with a perfect mix of hustle and bustle and relaxed outdoor living. The Gold Coast and Brisbane program is ideal if you want to live and study near some of Australia’s most beautiful beaches and are looking for a wide range of courses in diverse disciplines.

Students on USAC's program enroll in regular Griffith University classes alongside their Australian peers and are eligible to take classes in the following fields: business & government, criminology & law, education, engineering & IT, environment & planning, health & human sciences, humanities & languages, music, science & aviation, and visual & creative arts.
