

James Cooke University

Study Abroad in tropical Australia!

James Cook University (JCU) offers you the opportunity to study in tropical North Queensland. JCU campuses are located near the Great Barrier Reef and the pristine rainforests of the Wet Tropics, offering you unrivalled access to some of the world's most beautiful regions through hands-on fieldwork. You can choose from over 300 subjects in different academic study areas including the sciences, humanities, social sciences, criminology, environmental studies, government and politics, creative writing, graphic design, public health, and visual arts.

JCU's strengths lie in teaching experiences and practical learning for the workforce. The small class sizes ensure you receive one-on-one attention from your lecturers and tutors.

JCU offers students many clubs and societies to provide students with the opportunity to meet new people with common cultural, political, religious, sporting, recreation and academic interests.
