

Study Abroad in Shanghai!

Business & Chinese Language East China Normal University

The program offers students a unique opportunity to experience Chinese life, culture, language and business.

Students participating in the Business & Chinese Language program in Shanghai will be able to take a diverse set of courses taught in English, which will cover subjects such as Business, Political Science, Economics and History.

There is no language prerequisite for this program, however, students will be required to enroll in a Mandarin language course if they have not previously taken at least two semesters of Mandarin.
