**FULLY VAXXED AND BOOSTED**
If you are more than 5 months out from full vaccination for Pfizer or Moderna or 2 months out from full J&J vaccination, you must also have a booster shot. If you are outside those windows, refer to the 'unvaxxed or unboosted' flowchart.

**CLOSE CONTACT:**
Prolonged Time: at least 15 minutes within 6 feet over a 24 hour period OR Direct Physical Contact (i.e. kissing) OR Shared eating or drinking utensils OR Contact with respiratory secretions
