I’ve been in close contact* with someone...

...who has tested positive for COVID-19

I live with this person

Stay home and have a test 5-7 days after the positive person started experiencing symptoms. If negative, return to work. If positive, continue to quarantine at home for 10 additional days.

I do not live with this person

Continue working. Wear a mask, social distance and self monitor for symptoms. Test 5-7 days from exposure.

...who has been exposed and has symptoms

...who might have been exposed

...and is experiencing symptoms?

Self monitor, wear a mask and social distance

...is NOT experiencing symptoms

Minimal risk; no additional action needed
