Education Pathways Fair

Join us for the new Education Pathways Fair, an expanded fair for all interested in pursuing a career within the school system on Wednesday, March 27th from 10am-2pm in Patterson & Pickle in the Colket Center. This fair is a perfect opportunity to explore various roles, from teaching positions to IT to marketing and administrative functions, in a supportive and informative setting. [Sign up here!](#)

Interviews: If you are a Senior Education major, interview with school systems who have openings for the 2024- 2025 school year for teaching and licensure paths.

Career Booths: Visit booths hosted by professionals from different areas of the education sector. Gain firsthand insights into day-to-day roles and career options.

Networking Opportunities: Connect with professionals and fellow attendees to share experiences, seek advice, and build a network in the educational community.

Information on Certification and Training: Learn about the necessary certifications, degrees, and ongoing training required for various roles in education, including information on continuing education opportunities and scholarships.

The Education Pathways Fair is your gateway to understanding the diverse opportunities and paths in this vital sector. Register on Handshake and join us to take the first step to a fulfilling career in education

Join us for the Health Careers Expo!

Interested in pursuing a career that contributes to others' health and well-being? This makes you a member of the "Health Careers World," because this "World" includes not only doctors and nurses and veterinarians (and other "clinicians") but also such people as health care administrators, medical communications officers, art therapists, and ethicists (along with so many more)!

Wondering what you need to do to pursue such careers? Come and find out at the 2024 Health Careers Expo on **Tuesday, April 2nd**, where representatives from the region's graduate programs and employers in the Health Careers World will be available to share with you the opportunities available to you once you graduate. This event will last from 6:00 - 7:30 PM, but you are welcome to come and go as your schedule permits.

Please note: This event is NOT intended ONLY for third- and fourth-year students! All students who have an interest in this area are invited and will benefit from attending. The sooner you start making connections with those at these institutions, the better your chances are of being accepted.

Learn more about participating organizations and register on [Handshake](#).

Big Interview - On-Demand Interview Practice!

Have an upcoming internship interview? Check out our new virtual resource - [Big Interview](#) - to prep for the dreaded "Tell me about yourself" question. Big Interview is an online system that combines training AND practice to help improve your interview technique and build your confidence.

HOW TO ACCESS BIG INTERVIEW

You can schedule an appointment with PLACE to talk more about how these strengths relate to your future career.

Prepping for a job or internship interview? Frame your skills and talents around your strengths! Check out these tips [here](#) to learn more.

Haven't completed Strengths yet? [Request a code](#) to discover more about your unique strengths and how they set you apart.

Pallas Foundation Fellow

Pallas Advisors is looking for its 16th cohort of Fellows to join an impact-focused national security advisory firm that specializes in assisting emerging technology companies navigate the national security ecosystem. This is a paid, part-time, fixed term position (approx. mid May through August).

To apply, please submit the requested information to the link provided [here](#). Applications close on March 18th. Want to learn more? Visit <https://www.pallasfoundation.org/fellowship-program> and review the [position description](#).

Internships and Full-Time Openings

Want to know about these opportunities first? Be sure to join the [PLACE group on LinkedIn](#)! Find out more, including full time opportunities, on the platform.

Summer Internships at LEAP

Interns for Local Environmental Agriculture Project (LEAP) will support our nonprofit's mission by assisting in the daily work of our mobile and fixed-site farmers markets, community gardens, shared commercial kitchen, food hub operations, and/or marketing efforts.

LEAP internships will be designed to fit each intern's schedule and interests, while taking into account the specific needs of our organization (which change depending on seasons and other factors).

Interns will report to LEAP's Food Access Manager, Community Gardens Manager, Kitchen Manager, Food Hub Manager, and Communications Manager, depending on the schedule that is co-created by LEAP and the intern. This is an unpaid internship. Interns are encouraged to learn as much as they can about LEAP's work in Roanoke and beyond during their internship, which includes taking home local fruits and vegetables as available.

LEAP is also hiring a full-time [Administrative Services Manager](#) and [Community Garden Manager](#).

PBS Social Media Internship

Amtrak Summer Internship

Senator Mark Warner Summer Internship

Senator Mark R. Warner's Roanoke office seeks undergraduates or recent graduates for a constituent services internship. Senator Warner serves Virginia in a variety of ways, including by developing public policy, providing direct assistance to individuals and local communities, and listening to the different needs of the diverse

communities across the Commonwealth. He is proud to be able to offer students an opportunity to learn more about these responsibilities through an internship.

Preference will be given to candidates who have completed their first year of college and who reside in Virginia or attend college in-state. To be eligible for an internship, an individual must have graduated from high school. In order to be considered, all applicants must meet the requirements below, and submit an application by the deadline.

If applying for an internship in one of the Senator's Virginia offices:

During the 10-week summer session, you must be able to commit to interning for a minimum of 24 hours per week. Summer interns that meet the minimum time commitment and are authorized to work in the U.S., pursuant to federal law, will receive an \$800 pre-tax stipend.

Duties might include: answering constituent phone calls and providing callers with assistance; processing constituent requests for assistance; helping staff develop regional outreach calendars; attending community outreach events; preparing congressional inquiries; supporting the congratulatory letter operation; front office duties; basic office administration; and performing a host of other tasks, large and small, that help the Senator achieve his Constitutional obligations.

In order to be considered, interested applicants must complete the online application located on Senator Warner's website by March 24th: <https://www.warner.senate.gov/public/index.cfm/internships>.

Graduating in May?

[The Whiting-Turner Contracting Company Marketing Assistant](#)

Stop by for Rooney's Reviews or Walk-In Wednesdays

Don't want to schedule an appointment? Have a quick question? Catch us at Rooney's Brews on Tuesdays from 9:30 - 10:30 AM for Rooney's Reviews or on Wednesdays from 1-4 for Walk-In Wednesdays at PLACE. See you soon!

Handshake Highlights

Intern at Lawrence Companies

<https://roanoke.joinhandshake.com/edu/jobs/8724435>

As an intern at Lawrence Companies, you have the opportunity to work alongside industry professionals and gain exposure to various aspects of our business. This internship is designed to provide hands-on experience and a real-world understanding of the logistics and transportation industry. You will work on meaningful projects, collaborate with experienced professionals, and have the chance to make a tangible impact.

Responsibilities will include assisting in day-to-day operations and tasks within various departments, conducting research and analysis to support ongoing projects, and collaborating with cross-functional teams to achieve project goals.

The estimated start and end dates for this internship are May 1 through July 31, with expected pay of \$15-20 per hour.

Risk Analyst Intern at USAA

<https://roanoke.joinhandshake.com/edu/jobs/8769416>

Risk Analyst Interns provide risk management support for a line of business or staff agency in key risk identification, measurement, monitoring, control and reporting, and the understanding and management of risk through appropriate practices and processes.

The internship is based at USAA Corporate Headquarters in San Antonio, TX, Plano, TX, and Charlotte, NC. Interns offered full-time roles may have the opportunity to work out of one of USAA's satellite locations.

Interns will support the team in the identification, assessment, aggregation and documentation of risks and controls, including risks associated with new or modified products, services, distribution channels, regulations, and third-party operations. They will apply foundational learning to help support the implementation of new risk policies, practices, appetites, and solutions to ensure complete understanding and management of risks according to industry standard methodology.

Our 2024 internship will start on May 29, 2024 and last through August 9, 2024.

Candidates should be pursuing a bachelor's degree or higher in Business, Finance, or related field at a 4-year accredited university. Foundational and conceptual knowledge of risk management, regulatory or operations experience in a relevant functional area to include banking, insurance, financial services, audit, project management, public accounting or other related operational area required.

Applications close March 15, 2024.

Watershed Monitoring Intern at Baltimore County Government

<https://roanoke.joinhandshake.com/edu/jobs/8742457>

The purpose of the internship is to provide students with a real-world learning opportunity, which should prepare them to be workforce ready upon graduation. Also, the selected intern will aid in field work and be a member of a field crew to do fish sampling, water quality sampling, and other field work related jobs needed for our Watershed Monitoring program.

The selected intern will:

Collect field work samples

Conduct pollution inspections

Assist the field monitoring staff

Candidates must be pursuing a degree in Environmental Science, Biology, or a related field, and must be able to work a minimum of 34 hours per week.

Applications close 3/31.
