ALMA MATER HYMN

(Please stand during the playing of the Alma Mater.)

Written by Dr. Frank M. Williams
Roanoke College Choir
Prof. Michael Pekel, *Director*

Deep in our hearts, a flame is softly burning.
Deep in our thoughts, the mem'ries are returning.
Bells that are ringing, choirs that are singing,
Bring back the joys that we have known.

Learning to live, and loving as we're learning.
Seeking to find the truths for which we're yearning.
Years come and go, but we'll always know
That dear old Roanoke served us well.

To live once more, here in these hallowed halls.
To know once again all the joys that we used to know!

Some day the winter of life will pass before us.
Then we'll remember the place that proudly bore us.
Then we'll remember Alma Mater.
Then we'll remember Thee.

THE BENEDICTION

Rev. Bowen

(The audience will remain standing until the academic procession and all graduates have exited the field.)

HONORARY DEGREE RECIPIENT

DOCTOR OF HUMANE LETTERS

MR. W. HEYWOOD FRALIN

Heywood Fralin is a lifelong resident of Roanoke, Virginia. He attended Jefferson High School before earning a bachelor's degree from the University of Virginia and a law degree from the Washington College of Law at American University.

Mr. Fralin practiced law in Roanoke for more than 28 years before transitioning to business leadership as Co-Chairman of Retirement Unlimited, Inc., a Virginia-based senior living company he continues to lead today, and as Chairman of Medical Facilities of America, which was sold in 2019.

Throughout his career, Mr. Fralin has been one of Virginia's most steadfast advocates for higher education. He served on the Boards of Visitors of both the University of Virginia and Virginia Tech, including two years as Rector of the University of Virginia. He served on the State Council of Higher Education for Virginia and led as Chair for 3 years and served as Chair of the Virginia Business Council. He was an original member of the Virginia Business Higher Education Council, serving as Chair for 17 years, helping shape the policies and partnerships that strengthen Virginia's colleges and universities — including institutions like Roanoke College. His family's connection to Roanoke College spans generations, with his late older brother having served on the Board of Trustees and his youngest son, Robert, serving today.

His advocacy for the Fralin Biomedical Research Institute at VTC has helped establish the Roanoke region as a premier destination for medical research, healthcare innovation, and workforce development. He serves as Co-Chair of the Blue Ridge Innovation Corridor, connecting communities across the economic mega-region from Roanoke and Blacksburg southward through Martinsville and Danville to the North Carolina border, providing opportunities for economic growth that benefits all of the citizens of the region as well as the Commonwealth of Virginia.

Mr. Fralin has devoted decades of service to the region's civic and cultural institutions. In 2024, he was named Roanoke's Citizen of the Year and presented with a key to the City of Roanoke.

Cynthia and Heywood Fralin are deeply rooted in the Roanoke Valley and share a lifelong love of American art, having pledged their collection to the Fralin Museum of Art at the University of Virginia.

ACADEMIC REGALIA

Ceremonial robes worn in the academic procession during Commencement exercises convey the breadth and intricate structure of the academic world.

Colors of diverse institutions and academic fields stand in high relief against the basic black of the caps and gowns. By its color(s), the lining of the hood represents the college or university that is conferring the degree.

Note the royal blue and gold of Roanoke College.

Gowns themselves are different shapes for bachelor's, master's and doctorate degrees.

The typical American cap is flat with a tassel draped over its front edge. Some colleges and universities in the United States and abroad use caps that are softly peaked or round and stiff.

In addition to traditional regalia, you will see some students at Roanoke's Commencement ceremony wearing honor cords and graduation stoles.

Honor cords consist of colorful twisted cords with tassels on the ends. The cords signify academic achievement or membership in a recognized academic honor group or society.

For graduates earning Latin honors, you will see specific solid-color honor cords: gold for summa cum laude, silver for magna cum laude, and white for cum laude.

Graduation stoles are decorative vestments worn by members of a college organization.

The stoles recognize membership or participation.

The cord and stole color and design are specific to a recognized academic honor or group.

Hoods also differ in shape for each of the traditional degrees. The edge of the hood and the chevrons and piping of the gown mark the field of study, according to the following scheme:

Agriculture – Maize

Arts, Letters, Humanities – White

Commerce, Business – Drab and Sapphire Blue

Economics – Copper

Education – Light Blue

Engineering – Orange

Fine Arts, Architecture – Brown

Journalism – Crimson

Law – Purple

Library Science – Lemon

Medicine – Green

Music – Pink

Oratory – Silver Gray

Philosophy – Dark Blue

Physical Education – Sage Green

Public Administration – Peacock Blue

Science – Golden Yellow

Social Work – Citron

Theology – Scarlet

THE ROANOKE COLLEGE MACE

The Roanoke mace was presented to the College in 1996 by the four daughters of Hartselle DeBurney Kinsey 1921. The mace is dedicated to Mr. Kinsey, who was devoted to Roanoke College as a student, teacher, advocate and trustee.

Maces date back to the Middle Ages, when they were used as weapons. Today, they are primarily symbols of academic authority used at formal convocations and commencement ceremonies.

Roanoke College's mace was designed by Susannah Wagner Merritt, a British-trained goldsmith and jeweler in Ashland, Virginia. Also involved in its making were a jeweler, engraver, stonecutter, glassblower and woodcrafter. The mace features a sterling silver headpiece, which is adorned with garnets and engraved symbols representing subjects cherished by Mr. Kinsey, an American walnut baluster (or wooden stem) and a medallion engraved with a replica of the College seal on one side and the symbol of the Evangelical Lutheran Church in America on the reverse. A maroon hand-blown glass globe honoring the College colors rests inside the sterling silver cage of the headpiece. The cage features architectural elements from Miller Hall and rests on a base that includes a fleur-de-lis pattern found in wrought ironwork around campus.

THE ROANOKE COLLEGE SEAL

The seal of the College was approved by the Board of Trustees in April of 1964. It features a shield in national blue emblazoned with a mandarin yellow cross, representing Roanoke College's relationship with the Lutheran Church. The cross symbolizes the Christian values inherent in our culture, and above it is the lamp of knowledge. The white dogwood flower on the shield symbolizes the Commonwealth of Virginia.

The motto, "PALMAM QUI MERUIT FERAT," means "Let him who earns the palm wear it." The palm is symbolic of the palm leaf that was given in honor of excellence in ancient Greece.

The official hashtag for the Roanoke College Class of 2026 is #maroons2026.
