

**The Hylton Endowed Lecture Presents
Dr. Carla Finkelstein**

The unexpected path of a cancer researcher in the times of COVID-19

Tuesday, April 11, 2023, 7:00 pm

Wortmann Ballroom, Colket Center

Carla Finkelstein, Ph.D. is a Professor of Cell and Molecular Biology in the Department of Biological Sciences at Virginia Tech, Director of the Integrated Cellular Responses Laboratory, and Scientific Director of the Molecular Diagnostics Laboratory at the Fralin Biomedical Research Institute (FBRI). Her research focuses on the cell and molecular biology of cancer for which she has received numerous honors and awards. Dr. Finkelstein is the founding (and continuing) Scientific Director of the Molecular Diagnostics Laboratory at the FBRI where, since the beginning of the Covid-19 pandemic, she has overseen a state-of-the-art SARS-CoV-2 testing facility serving an expanding population over a wide geographical range.

Reserve your spot today!

The Hylton Endowed Lecture is sponsored by the Roanoke College Health Careers Advisory Group, the Office of Advancement and the Office of Community Programs.
